Re: Invitation to Participate in Community Forum

Dear Des Moines City Council Members:

As you know, Quiet Skies Puget Sound (“QSPS”) is a citizen advocacy group founded by Des Moines residents. We are holding a community forum at Mt. Rainier High School on April 26, 2017, beginning at 6:30 p.m. The subjects of the forum are the new flight paths over our City and related noise, the status of NextGen flight procedures, and the overall impacts of SeaTac Airport operations on human health and the environment.

QSPS will be providing a half-hour overview presentation to the community, followed by a twenty-minute segment with several expert guest speakers. We are inviting each of you to participate in a twenty-minute third segment – in a Q&A format - and engage with our community.

We appreciate your leadership and willingness to discuss these matters with your citizens. Let me know if there are any questions, and please confirm your attendance as soon as possible for our promotional materials!
