

# WELCOME

For over 25 years, the Des Moines Legacy Foundation has worked to uplift our community—expanding access to parks and recreation, supporting local youth and schools, enriching the lives of seniors, and championing inclusive arts and cultural events.

Tonight, as we come together in celebration, your presence supports these efforts and helps us continue building a vibrant, connected Des Moines.

Thank you for being part of this evening of community, compassion, and of course—chic footwear. Let's make it a night to remember!

Des Moines Legacy Foundation
